PIG Range

- Formulated with good quality raw materials.
- Highly palatable ingredients for optimal feed intake
- Formulated to feed all types of breeds.
- Designed to maintain good gut health.

Nutritional information

NUTRIENT	PIG GROWER (V23618)	PIG BREEDER (V23620)
PROTEIN	150	130
LYSINE	9	6.5
METHIONINE	4	3
MOISTURE	120	120
FAT	25	25
FIBRE	80	85
CALCIUM	6 - 10	8 - 12
PHOSPHORUS	6	6

PIG GROWER

- Formulated to maximise growth and optimise fat depth.
- Formulated to develop and sustain good gut health for your piglets
- Feed your piglets from 10 weeks of age or from 30kg live weight.
- **Lactating sows** - feed 2kg per sow per day + 500g per piglet for 2 weeks, from farrowing.

PIG BREEDER

- Formulated to feed breeding boars and sows.
- Feed to maintain the desired body condition.
- **Good condition pigs** - feed 2.5kg per pig per day.
- **Thin pigs** - feed 3kg per pig per day, until good condition is reached.
- **Pregnant sows** - 2 weeks before farrowing - feed 3kg per sow per day, until farrow.
- **Lactating sows** - 3 weeks after farrowing - feed 2.5kg feed per sow per day + 500g per piglet, until weaning.

Target Weights

	WEIGHT KG/PIG			GROWTH	INTAKE PER WEEK	
AGE (weeks)	TARGET	GOOD	POOR	G/DAY	KG/WEEK	FCR(g/g)
56	21	17	16	690	9	14
63	28	23	21	730	11	14
70	34	29	27	765	12	15
77	41	35	33	800	13	16
84	47	41	38	835	15	18
91	54	47	44	870	17	20
98	61	53	49	900	19	21
105	67	60	55	930	21	22
112	74	67	60	955	22	23
119	81	74	66	980	24	25
126	88	81	72	1005	26	26
133	94	88	77	1030	28	28
140	101	95	83	1050	31	29
147	108	102	89	1070	33	31
154	115	109	95	1080	35	32
161	122	115	100	1090	37	34

Weaner Growth Targets

WEANING WEIGHT	Formula	Example
Weight at 28 days (kg)	x	6
Weight at 49 days of age (kg)	2x	12
Weight at 70 days of age (kg)	4x-2	22

Management recommendations

- Always provide the right feed for the right stage
- Manage your housing temperature and ventilation to get the best feed efficiency and growth.
- Apply the best possible Biosecurity at all times.
- Weigh your pigs periodically
- Provide clean and cool drinking water at all times.
- Consult our Technical Advisors
